

Tapestry Workshop

A guide of how to use Tapestry at home

Today's workshop will include:

- What Tapestry is
- How we use Tapestry in school
- Why we use Tapestry
- Tapestry at home
- How you can contribute at home
- Links to EYFS curriculum (What to expect when)
- Getting onto Tapestry at home

What is Tapestry?

Tapestry is an online tool that allows us to make a learning journey for your child in Reception.

We can add photographs, videos and comments of your child's learning and then link these to Early Years Curriculum. These are called observations.

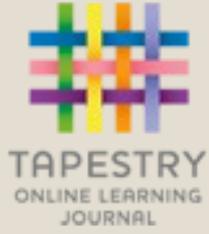

We use the Tapestry app on the iPads in school to record these observations.

 **Making a map** 03 Nov 2016 02:33 PM by Miss Speed

Rufus made a map, there were two treasures, a bat and a house. He labeled the bat independently; remembering his finger space and how to spell 'the'. Well done Rufus

How do we use Tapestry in school?

In Reception, both the Teachers and the Early Years Practitioners make observations of the children using the Tapestry App.

These observations help us to see what your child is able to do completely on their own, independently without an adults help.

Our aim is to take at least one observation a week of each child, which is alongside adult led learning.

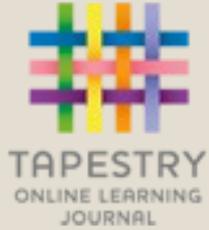

Why do we use Tapestry?

Tapestry is useful because it records all of the observations made for each child in their own online learning journey.

It helps us to monitor the coverage of all 17 areas of the curriculum and highlights next steps for children.

Tapestry also allows us to work with parents/carers to see each child's development at home to create a holistic picture of each child.

Tapestry at home ...

You can access Tapestry at home, either by the website or on the app.

It gives you the opportunity to share your child's learning and development at home.

How you can contribute at home ...

You can include experiences at home that your child has accomplished on by themselves or a shared experience e.g. a day out.

You can write what your child has done and it is also useful to write down what your child has said.

These experiences may connect to learning in school e.g. phonics, or achievements such as swimming.

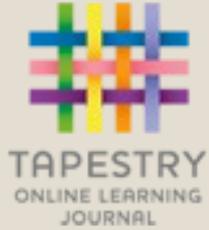

Here is an example of a good observation made at home ...

Links to EYFS Curriculum

On the table, there is a booklet called 'What to expect when'.

This booklet tells you what your child should be doing by the end of the Reception Year.

This document should help you to focus observations and link them to specific areas of learning in the Early Years Curriculum.

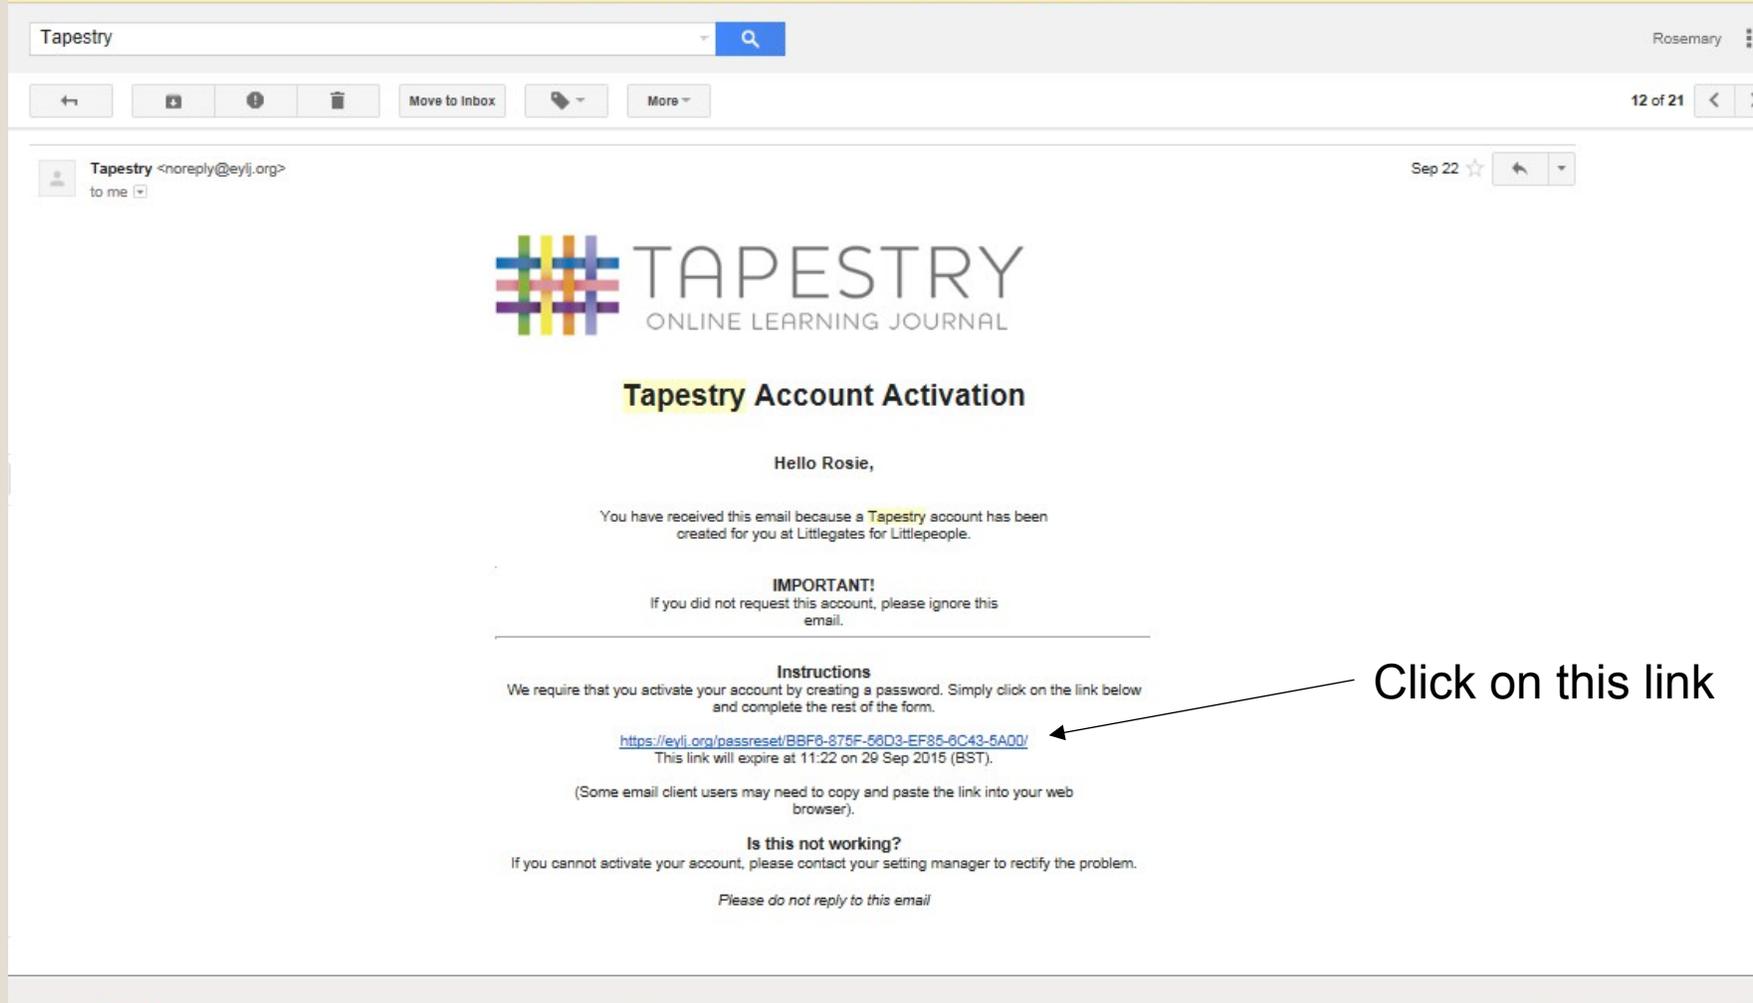

Getting on to Tapestry at home ...

Tapestry can be use on the internet, iPhones and Android phones.

If you have not yet signed up to Tapestry, please write your email address next to your child's name on the sign up sheet.

Once the activation email has been sent out you will receive an email like this ...

Getting on to Tapestry at home online ...

The screenshot shows an email interface. At the top, there is a search bar with 'Tapestry' entered and a magnifying glass icon. To the right, the name 'Rosemary' and a grid icon are visible. Below the search bar is a row of action buttons: a left arrow, a camera icon, a clock icon, a trash icon, 'Move to Inbox', a speech bubble icon, and 'More'. On the right side of this row, it says '12 of 21' with left and right arrows. The email header shows 'Tapestry <noreply@eylj.org>' and 'to me'. The date 'Sep 22' and a star icon are also present. The main content of the email features the Tapestry logo and the title 'Tapestry Account Activation'. The text reads: 'Hello Rosie, You have received this email because a Tapestry account has been created for you at Littlegestes for Littlepeople. IMPORTANT! If you did not request this account, please ignore this email.' Below this is a section titled 'Instructions' which says: 'We require that you activate your account by creating a password. Simply click on the link below and complete the rest of the form.' A blue hyperlink is provided: <https://eylj.org/passreset/BBF8-875F-56D3-EF85-8C43-5A00/>. A note below the link states: 'This link will expire at 11:22 on 29 Sep 2015 (BST). (Some email client users may need to copy and paste the link into your web browser).' A section titled 'Is this not working?' follows, with the text: 'If you cannot activate your account, please contact your setting manager to rectify the problem.' At the bottom, it says 'Please do not reply to this email'.

Getting on to Tapestry at home online ...

The screenshot shows the Tapestry account activation page. At the top left is the Tapestry logo. The main heading is "Account Activation". Below this, it says "Activating account for rosieandlillie21@gmail.com at Belton Lane Primary School". A prompt asks the user to "Please enter your new password". There are three input fields: "Password", "Confirm Password", and "PIN". At the bottom of the form is a blue button labeled "Activate Account". The page has a light blue background with a grass border at the bottom. At the bottom of the screenshot, there are icons for a browser, PowerPoint, and Word.

It will then ask you to make your own password and PIN code.

Getting on to Tapestry at home online ...

You will then see a message to tell you that your account has been activated.

The screenshot shows the Tapestry Log In page. At the top left is the Tapestry logo, consisting of a grid of colored lines. To its right is the text "TAPESTRY ONLINE LEARNING JOURNAL". Below this is the heading "Tapestry Log In". There are two input fields: "Email" and "Password". Below the "Password" field is a checkbox labeled "Remember me on this computer" and a link "Forgotten your password?". At the bottom is a "Sign In" button with a lock icon.

You then need to type in your email address and password to log in. PIN codes can be used on the app.

Thank you for listening
Any questions are welcomed!
