

RE

Choose one of the Sikh stories. In what ways does it have relevance today?

As Easter is starting soon, investigate why Christians celebrate Easter and how.

Science

Living things and their habitats and plants—choose one plant and one animal. Draw a picture of it then describe its life processes with a particular focus on reproduction.

Properties of Materials— create a list of everyday materials in your home. Compare them to their properties. Identify and investigate reversible and irreversible changes in your home.

PSHE

Dreams and Goals—compare your hopes and dreams to those of a young person in a different culture. Explain how this makes you feel .

Healthy Me—produce a leaflet about smoking and alcohol and the effects these have on your body.

Maths

Multiplication and Division—create multiplication and division word problems for us to solve in class. Don't forget to work out the answers and check them using the inverse operation!

Fractions—create your dream gift list with item prices. Your parents/carers agree to pay 1/2. How much will you need to pay? What about if they agree to pay only 1/4 of the price?

Decimals and percentages—when you are out shopping, keep a list of any decimals or percentages you see. Can you work out their equivalents?

Year 5 Spring Term

Global Learning

Consider what 'gender stereotypes' means and how it may effect someone's identity. Create a poster showcasing what ideas you have.

Writing

Argument: Create an argument around something you feel passionate about. For example, write an argument as to why we should use lesson energy.

Report: Write a newspaper report about a topic of your choice that is currently in the media. You may wish to watch Newsround first.

The Arts

Sculpture: Create a paper sculpture on a piece of Art around Reading. Google imagines to help you. Create a fact file on why you think this piece of Art is beautiful or not.

Humanities

Create a fact file on Greece with a focus on trade links, economic activity and distribution of natural resources .

Create fact cards on each of the Greek philosophers. Why were they significant?

Reading

Film your own movie trailer for the book and email it to us to show to the class!

Spanish

Can you learn some Spanish words to share with us in class?
